Hello Everyone!

We have been keeping busy here at Rose Haven and the summer has flown by! The kids have already started their classes and before we know it, the snow will be here. I know, we don't want to hear that yet either! We are, however, looking forward to the start of Hawkeye football, fall activities and much more. Until then, we are going to soak up this beautiful and warm sunshine!

As a reminder, we are a smoke free campus. This means smoking will not be permitted anywhere on the facility's property. Thank you all for your cooperation.

Residents Rights (ADMISSION, TRANSFER, DISCHARGE)

EACH RESIDENT has the right not to be discriminated against by the facility in any way based on the resident's source of payment. A facility may not require resident or potential residents to waive their rights to Medicare or Medicaid; require assurance that residents or potential residents are not eligible for Medicare or Medicaid benefits, or require a third party guarantee of payment as a condition of admission or expedited admission. Nor can the facility charge, solicit, accept or receive as a per-condition of admission, expedited admission, or continued stay in the facility under the state plan anything of value, over and above what is lawfully required to be paid except a charge may be made for items and services the resident requested and received that are not "nursing facility services" under the state plan so long as the facility gives proper notice.

Visit Reminders

- Please make sure you call the facility to schedule a visit in ADVANCE so we are able to ensure we have the appropriate amount of space available for reservation. Showing up and expecting to get in when not scheduled ahead of time is not fair to those who called in advance to set up a designated time. We do our best to be as flexible as possible.
- Please wear your mask as directed by the staff member who screens you in. These are not just facility rules, but rules that are given to by the state.
- When finished with your visit, please DO NOT wander the hallways. Please call the facility and we will come assist your loved one and/or let you out of the building.

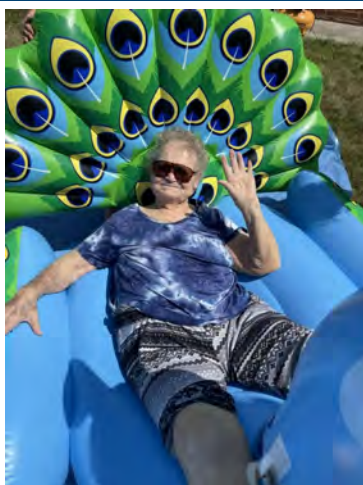

Thank you for your cooperation and understanding!
