Hello Everyone!

Happy New Year!

It is crazy to think that another year has come and gone so quickly. We are bringing in the new year blessed with amazing residents, family members, friends and staff. This year definitely had its challenges but we made it through by working together to make the best of it. Reflecting on what this year has brought, we want to thank you all for being so patient and understanding during these difficult and uncertain times. The only thing we can do is make the best of each day and take it one day at a time! We are all excited to see what the new year will bring and look forward to making more amazing memories.

Cheers to a new year!

**As a reminder, we are a smoke free campus. This means smoking will not be permitted anywhere on the facility's property.
Thank you all for your cooperation.**
