## Hello Everyone!

It feels like the month of January flew by here at Rose Haven and we are doing our best to make the most of each day. We would like to thank you all for your patience, understanding and cooperation as we have been navigating the ongoing challenges associated with the COVID-19 pandemic. It has definitely been tough on all of those involved but we are so grateful to have such amazing residents and families. We also would like to thank our staff for all of their hard work and dedication to this facility. With support, determination and positive thinking, we will get through all of this together!

We wish you all a Happy Valentine's Day as well!

**As a reminder, we are a smoke free campus. This means smoking will not be permitted anywhere on the facility's property. Thank you all for your cooperation.**
