Hello Everyone!

We hope that this newsletter finds you well. We are so excited for National Nursing Home Week as we have a fun filled week planned for both staff and residents! There will be great food, fun activities, dress up days and prizes! We will be celebrating May 9th-13th. Check out the last page of our newsletter for the dress up days. We encourage everyone to participate and if you do not have something that works for that day, ask our Activity Director (Kensey) and she will help you find something. We look forward to the beautiful (and hopefully less windy) weather ahead!

We would like to wish you all a Happy Mother's Day!

As a reminder, we are a smoke free campus. This means smoking will not be permitted anywhere on the facility's property. Thank you all for your cooperation.

May Birthdays:

- **Diane McNamara– 3rd**

.Sarah Cronin– 20th

Residents Rights (Admission, Transfer, Discharge)

EACH RESIDENT has the right to refuse a transfer to another room in the facility if the transfer's purpose is to relocate from a distinct part of a facility which is a skilled nursing facility to a part of the facility which is not a skilled facility, or if from a distinct part of the facility that is a skilled nursing facility. Such refusal will not effect eligibility or entitlement to Medicare or Medicaid benefits.

Door Alarms, Assisting Residents, and Safety Reminders

At the main, front door we have a silver button the needs to be pushed BEFORE opening the door to avoid setting off the alarm. If you come in from the South door, we still have a big red button the needs to be pushed BEFORE opening the door. Please ask staff for the code before you open the door to leave or you will set off the alarm. A reminder that we have alarmed doors per State laws and as a safety precaution for residents.

Remember… NEVER assist a resident other than your family out the door. If you see a resident leaving unattended, tell us immediately.
